The European Anaesthesiology Congress

Stockholm, Sweden, 31 May - 3 June 2014

Daniela Filipescu
ESA President

Stefan De Hert
Chairperson
Scientific Committee

Charles-Marc Samama
Deputy Chairperson
Scientific Committee

This certificate has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists.

Euroanaesthesia 2014 is designated for a maximum of, or up to 18 European CME credits (ECMEC).

EACCME accreditation granted EACCME-10372-G

Each medical specialist should claim only those credits that he/she actually spent in the educational activity.

The EACCME is an institution of the European Union of Medical Specialists (UEMS), www.uems.net.

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org/go/internationalcme.

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited (Category 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons
